

Home To Stay can help with our Stay At Home Live-In Program

Requiring full time - round the clock care for your loved one?

The program includes the following:

- Our highly screened and specially trained certified aides are with you around the clock providing personal care with dignity - increased safety awareness - healthy and satisfying meal preparation - housekeeping and companionship. The goal of the program is to enable your loved one to stay at home and be engaged in a meaningful life.
- Home To Stay is South Jersey's only authorized provider of the AlzBetter At Home personalized dementia care management program. If your loved one has Alzheimer's, dementia related disease or some type of cognitive impairment the AlzBetter program can help maintain their independence and enrichment at home.
- Our Stay At Home program offers Home To Stay's care management services that assist with household responsibilities, tasks and errands required to maintain independence in the home.
