THE H2S DIFFERENCE:

- Our primary goal is to help you enable your loved ones to stay at home safely, remain independent and enjoy the best quality of life as long as possible while supporting your entire family.
- Home to Stay will help you understand and navigate through the healthcare system so that you and your loved ones can benefit from the options and strategies that are best for you.
- Your H2S Caregiver has been hand-picked and fully trained to provide the best possible environment for healing and companionship, and is dedicated to Our Team Pledge. (See our brochure)
- H2S provides ongoing communication with family members, social workers, discharge planners and others involved in the care continuum to provide alerts and updates.
- In-home monitoring options are available for monitoring devices with motion-sensor cameras to ensure that your loved ones are safe 24 hours a day, and your H2S Caregiver is performing their duties with the care and compassion you expect.
- Flexible care options to fit you include hourly, full day and 24 hour live-in companions, as well as Supplemental Hospice Care.
- Long-Term Care insurance and all major credit cards accepted. H2S is an approved provider for Jersey Assistance for Community Caregiving (JACC), Real Life Choices through the Division of Developmental Disabilities (DDD) and Global Options for Long-Term Care.
